Gov. W. W. Hailmann
Capt. of Indian Schools,
Washington, D. C.

Sir:

In compliance with instructions, sec. 16 Rules for Indian School Service, 1894, I enclose herewith a copy of Census of Children of School age upon this Reservation.

This Census contains the names of only those, who are fit subjects for school. I have omitted those, who I know, were defective physically, married, or from any other causes, unfit for school.

The average attendance for the quarter just closed has been a fraction over 31.

14389

This is not what it ought to be, considering the number of children upon the Reservation. I have hitherto obtained pupils by persuasion, but my persuasive powers are almost exhausted, and I think some other means will have to be adopted.

It is now so near the end of the term, that I do not think it would be advisable to take any active steps towards increasing the attendance, until after the summer vacation.

At the beginning of next term, I shall endeavor to secure twenty girls and twenty boys, (which will fill our school) and if I cannot persuade the Indians

To send them in, I shall be obliged
to report the delinquents to head-
quarters.

I have the honor to be
very respectfully,

Chas. M. Smith
U.S. Indian Agent,

Hon. Commissioner

Indian Affairs

Washington D.C.

Sir:

I have the honor to enclose herewith Census of the Indians belonging to the Lincoln Indian Reservation and under my charge. I regret the unavoidable delay in forwarding this, which was occasioned by the absence of the Interpreter William Burton.

Mr. Burton was sent about the first of the month to Red Rock Mount. for the two morning machines & has not yet returned. While there his son William who accompanied Burton was taken very sick & was unable to return until today.

I have the honor to be,

Your obedient servant,

DEPARTMENT OF THE INTERIOR,

UNITED STATES INDIAN SERVICE,

Lemhi Agency, Idaho, July 3, 1906.

The Honorable,

The Commissioner of Indian Affairs,

Washington, D. C.

Sir:-

I have the honor to transmit herewith the census of the Indians residing on this reservation.

In this connection I desire to invite your attention to the fact that 47 Indians carried on the roll of this tribe, are not living on this reservation, nor in the immediate vicinity. They have not resided here during the past three years. On inquiry from Indians here I am informed, that some of them are living on the Fort Hall reservation, others at Camas Prairie in the western part of the state. I am endeavoring to have those at Camas Prairie return to this reservation, in order, that they may be properly indentified before removal to Fort Hall.

I have personally taken this census and have seen and indentified all whose names are written in black ink, those absent have their names written in red ink.

Ver respectfully,

Wm. H. H. H.
Supt. and S. D. Agent. /
